

# FINALLY, THE CAR BUSINESS REINVENTED WITH YOU IN MIND!

Would you like to drive a Nicer, Newer® car, but are worried you can't swing it?

**P**ut those worries behind you because local business owner Patrick Graham from Silverstar has dreamed up the perfect solution and a whole new way to buy a car.

Inspiration struck when Patrick realized how many people associate buying a new car with stress. “**Buying a car should be fun!**” Patrick exclaimed. That’s why, at Silverstar Automotive Solutions, their goal is to put fun back into buying a car.

“I know that making a big decision like buying a car can often come with a great deal of stress, but it also has the power to change your life for the positive!”

Patrick said. “**I believe everyone deserves to drive a Nicer, Newer® car and that buying a car should be a fun, stress-free experience.** I want you to enjoy the process of buying a car as much as you’ll enjoy driving your Nicer, Newer® car.” [He/She] continued. “Luckily, I’ve got the experience and know-how to help you solve your transportation problems and start enjoying life in a Nicer, Newer® car today.”

Patrick Graham wants respect and responsibility back in the car business. “I’m fighting for you! **That’s what makes us a dealer For The People®—we’ve come up with the easiest way for you to dump the old car you hate driving and drive home a Nicer, Newer® car today.**” He said.
